### **6. Committee Reports**

Planning

Covered Market – Committee happy in principle, but S Nepp had concerns re the roof structure. S Nepp to action.

Potential care home on land behind Westwell Court - no formal application at this stage, but the Chairman reported he believed it had the support of Westwell Court residents due to the surrounding land to be offered to the town as open space.

Hales Place – application now for 5 houses as distinct from the original 6.

Treasurer

The treasurer discussed the potential outlook for the full year, and the issues to consider – the Committee was happy with the position.

### **7. Any Other Business**

Neighbourhood Plan – S Nepp agreed to draft a letter to the press pursuing this issue since there was no satisfactory response from TTC, and more surrounding towns and villages in Kent were clearly making progress

Kentish Express – The committee agreed to take a digital subscription at £35 per annum as we need to ensure we have electronic access to articles as required, particularly for such events as the Coffee morning. H. Burnside to action.

Lipton Group Consultation – the second round consultation was discussed, and dissatisfaction expressed with some of the questions and implied priorities of TTC. A. Bates and S Nepp to follow up.
