

Tenterden Green Space Steering Group

Report on a working party meeting: September 18th 2018

Present: Richard Masfield
Rebecca Hayward
Daisy Rudd
Adrian Greaves

Sept. 17th meeting with Simon Cole

Richard reported on the meeting and its possible outcome.

Sept. 29th presentation

Daisy and Richard ran through the presentation in its current form. Richard is now to cover the wildlife/parish ecology section, as Matt Hayes of KWT is no longer free to participate.

Adrian kindly offered to re-print the flyer in poster size and supply printed copies of the support/petition form for circulation and later collection at the Town Hall. Daisy to supply the original, together with a map of the 8 selected local green sites for use by Adrian in promoting the presentation outside Tesco.

Next TGS meeting

Rebecca to arrange a meeting of as many of the full Steering Group as can attend for 6.00pm on Wednesday October 10th at The Briars – to review the Sept. 29th presentation, and in the event of a poor attendance to discuss alternative means of gaining residents' support.
