

Tenterden & District Residents' Association

Annual General Meeting 2021

Membership Secretary's Report

The number of donating households to TDRA as at 31st March 2020 was 480, with individual members totalling 721 from our membership records.

This was down from 505 households and 745 members as at 31st March 2019, via a combination of memberships lapsing (by moving out of the area or opting not to donate that year) and a small number of new members joining during the year.

It is not practical to calculate an equivalent number for 31st March 2021; we were unable to collect donations door to door, and during the pandemic we were content to rely on the donations paid by Standing Order for our income. We are therefore treating the membership totals as unchanged as at 31st March 2021 with the bulk of the previous year's members being given a waiver of the requirement to donate in 2020-2021.

We have now put in place clear payment options to donate in 2021-2022 and will be able to update as normal in March 2022.

Mike Lyons
Membership Secretary
