1. Present

A. Bates (Chairman), H Burnside, S Nepp, W Chantler, M Lyons, N Webb, K Grant,

2. Apologies

I Marsden

3. Minutes of the Last Meeting

Minutes of the last meeting were read and approved.

4. Matters Arising

HB1 continues.

Mike Carter sent his apologies, but reported that the vote on the second part of the cinema, that is funding, had been successful. With regard to the Sports Provision Group, Paul Clockie has promoted the provision of football pitches on the left hand side of the Morghew entrance drive with a view that four houses be built on the front to finance the development of pitches behind. It was noted that this is against all the local Planning Protections.

5. Correspondence

Thank you letters received on behalf of The Dementia Friendly Community, HypoHounds, and Youth Cafe for the donations.

Letter received from John Debling nominating Adrian Greaves to become a Trustee or an Officer. A Bates to acknowledge. **ABI**

6. Committee Reports

Treasurer

H Burnside reported that the accounts had now been signed off and the Charity Commission updated with names of Trustees.

Planning

S Nepp reported that she had commented on Tilden Gill and objected to the London Beech application for four executive houses, noting that only three are provided for in the Local Plan.

Correspondence received from Richard Masefield of Westwell Court, who has been asked to head a Task Group to look at green spaces within the town. He is setting up a steering group to which we have been invited and will attend. S Nepp is concerned that this will have no legal weight, and that there must be assurances that this will result in a meaningful document.
