

Tenterden Green Space Steering Group

Report on a working party meeting: September 3rd 2018

Present: Richard Masefield
Rebecca Hayward
Siggi Nepp
Daisy Rudd
Lin Bromfield (part)
Cllr. Nikki Gooch

Sept. 29th Presentation

Local MP, Damian Green, has agreed to introduce and endorse the powerpoint presentation. Richard to 'chair' the public discussion afterwards.

Following a run-through on the TV screen with draft script, timed at approx. 45 mins, various additions and amendments agreed.

Lin to supply an alternative photo of the 3-fields site prior to development.

'Bespoke' Local Green Space Neighbourhood Plan

The Town Council's previous attitude to Neighbourhood Plans, prior to the introduction of Local Green Space designation for the use and ultimate benefit of local communities, was discussed – with a decision of whether or not to recommend this course of action to depend on the reaction and support of residents following the Sept. 29th presentation.

The next opportunity for presenting the Steering Group's recommendation to the Town Council in the form of an outline plan would be at their meeting scheduled for November 12th.

Sept. 29th flyer

1000 copies of the flyer with the added *views and support* stickers are now available. Initial distribution by members of the group was discussed and agreed.

Payment for KMBRC species data for the parish

Reimbursement for Richard's payment of £264.00 for the data, to be considered shortly by the Town Council Donations Committee.

Support/petition form

Daisy's new prototype for the form approved.
