3. Minutes of the Last Meeting

Approved with the amendment that Item 6 should refer to Mike Winiberg rather than Mike Lyons.

4. Matters Arising

None.

5. Correspondence

Facebook content; the Chairman has had a response from the Town Clerk. He is still considering whether to lodge a complaint about individual councillors' behaviour.

Note from Lindsay Hammond; the Committee concluded that it was probably premature to gather too wide a group until the plans firm up somewhat. A Greaves re-iterated his willingness to assist with such as a bond issue in due course.

Recreation Ground: the Chairman updated re his exchange with the Town Clerk. Also reported that he understood a new Council sub-committee had been formed to consider the spend on Regeneration projects.

The Committee noted that if the spend on the Recreation Ground was not reduced it probably had a negative impact on the chances of St. Mildred's getting a reasonable amount. Agreed to alert Lindsay Hammond to see if he wished to engage with the Council on this issue. HB to contact L Hammond re the above points. HB1
