Ashford Road/Beacon Oak Road roundabout. Lack of work under way noted, also the necessity for this roundabout to be completed before sales of houses at Tilden Gill can complete. S Nepp to write to ABC on the subject.

The operational way forward for TDRA. After some discussion, agreed the only practical way to continue post pandemic is to

- Hold a double AGM by Zoom in May 2021
- No further house to house collections or delivery of Newsletter/Resident
- Newsletters and Resident Magazine to be electronic only

- Send a newsletter out say March 2021 Treasurer's Report giving AGM notice and advice of changes. This one will have to include hard copy and go by mail to members not on the e-mail list.

Financial Position. H Burnside reported that current year expected to be approximately break even – effectively the Standing Order donations covering the reduced expense during the current period. The need is recognised in future to encourage donations to replace the door to door collections - option of a “Donate” button on the website to be explored.
