

PROTEST WALK TO SAVE OUR GREENFIELDS

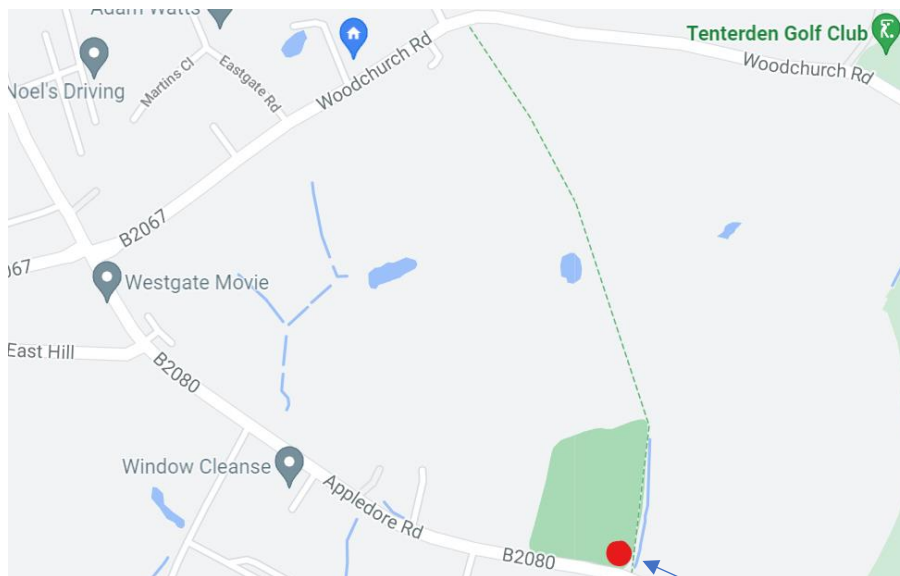

Date: Sunday 13th Feb 2022

Time: 12 noon

Location: Football fields entrance, Appledore Road, Tenterden

This is a walk for residents to show their objection to the excessive housing development taking place on our greenfields/green spaces, not only in Tenterden and St Michaels, but around Kent. The walk is along the **AB12** footpath across Limes Land to the Woodchurch Road. Residents in other towns and villages will also be taking part in local walks, sending a powerful rural message against the excessive developments destroying our countryside.
