

TENTERDEN & DISTRICT RESIDENTS ' ASSOCIATION

Annual General Meeting 2025 Proposal

“That members of TDRA approve the dissolution of TDRA by the end of 2025 and distribute the available assets to the nominated local charities.”

Notes for members

The practical implications of the proposal are

1. The Committee will write to all members to request they cancel any arrangements to make future donations. For those members who made a donation for the current year in April 2025, they will be given the option to request a refund or allow the donation to be included in the cash distribution to the charities.
2. After settlement of operational expenses, the residual assets (which are all held in cash balances) including those previously designated as “Tree Fund” shall be distributed equally between

Tenterden Social Hub & Dementia Centre
Weald of Kent Protection Society
Tenterden Wildlife
Tenterden & District Museum

3. The bank accounts will be closed, the website shut down and closing accounts filed with the Charity Commission.
4. Please note that the AGM 2025 does not include the usual item for Re-election of Officers and Committee members. This is due to the fact that the Constitution specifically charges the existing trustees to manage the closure process.
